### Fellowship:

**African Sports Equity Fellowship**

Email: [media@sportsalon.org](mailto:media@sportsalon.org)

### Fellowship Overview:

This fellowship focuses on building a comprehensive archive and database of people and organisations working in women's sports across Africa. The fellow will research, document, and categorise key entities to assess existing contributions and identify areas for growth.

### Project Overview:

- Aggregate a comprehensive database on women's sports in Africa.
- Identify and document people and organisations working in African women's sports by tracing their digital and traditional footprint
- Gather information from credible sources, including interviews, sports federations, and media reports.
- Organize and categorize data
- Collaborate with volunteers for data accuracy
